

HSE Policy

Descon shall operate as a world-class engineering, manufacturing & construction company that commit to sustainable performance in Health, Safety & Environment and shall endeavor due recognition from all stakeholders.

In order to achieve this, we shall:

1. Adhere to all applicable HSE standards and comply with applicable legal, regulatory and industry and other requirements.
2. Ensure Health and Safety of all stake-holders.
3. Demonstrate personal ownership for HSE matters through visible leadership at every level.
4. Empower all employees to actively report unsafe conditions and actions to continually improve HSE culture and make them accountable against set goals and targets.
5. Manage risks related to business processes proactively to ensure that ill health, injuries and environmental impacts are prevented.
6. Ensure appropriate and reliable emergency response system to be in place in all company operations.
7. Establish HSE audit system to assess level of compliance and ensure corrective actions.
8. Communicate this policy to all Stakeholders and provide training, resources and other support to encourage behavior that upholds this policy.
